County of Neamt

Your holiday destination

PACKAGE TOURS

www.viziteazaneamt.ro

The County of Neamt – a land brimming with history, culture and, and welcoming, thrifty people, and a truly spectacular landscape – is waiting for you to cross its borders.

The picturesque relief, with its mild hills on the East and steep crests on the West, lakes, parks and nature reserves offer unique, almost perfect scenery. Here, the forest brings you back to life with the fresh air and serene colours. A blessed land, the Neamt County welcomes you with a plethora of churches, hermitages, and old monasteries and nunneries. Hidden in the wilderness of the mountains or scattered in the villages, each of them bears the burden of history and breathes spirituality – a mixture that gathers pilgrims seeking for the tranquillity and peace of their souls.

The history and contribution of the region to the Romanian cultural development is on display in the museums of the Neamt County. You can find traditions and crafts in their original form in the very artisans' households. Moreover, should you find yourself on the lanes of the villages in Neamt during the winter festive season, so much better for you as you will be enchanted by the dances with masks and your senses will be overwhelmed with the flavours of the specific cuisine.

However, the Neamt County is not only an area rich in traditions and history. It offers more modern attractions as well: you can spend some time in the entertainment and sports parks, you can have a ride in the cable car, you can relax at the modern open-air swimming pool, or in spas, and you can attend all sorts of events and competitions where you could try your strength.

Whether you are on holiday or merely passing by, we invite you to the Neamt County to admire the beauty of nature from the height of the majestic Mount Ceahlău, to visit at least one jewel of the plethora of monasteries, to have an insight into the ancient history of this region, to recharge your soul with the pride of going back to traditions, and, it goes without saying, to stop at a boarding house in our county where you are awaited as a cherished guest.

Neamt County Council
